ADMINISTRATIVE CONTRACT AWARD

(Authorization: County Ordinance 44.14(2), Award of Public Works

Contracts, Amended November 6, 1997)

I. PROJECT DESCRIPTION

Project No.: A044-09002-02

Project Location: General Mitchell International Airport

The work under this contract includes, but is not limited to, the construction of a 40,923 sf 2 story addition on the east side of the existing terminal ticketing area, the build-out of an On Screen Resolution Room (OSR) on the ground level of the airport administration building, modifications to existing (2) rooms containing the baggage make-up carousels, improvements to the "Tug" alleyway outside the baggage rooms, and renovation to the existing ticketing area. The purpose of the addition and associated work is to allow for a more efficient in-line screening operation for the outbound baggage handling system. The addition will house the baggage handling conveyor system and TSA's baggage screening operation.
